HUNTING GUIDE

LAKE TEXOMA

Hunting at Lake Texoma is in accordance with applicable Federal and State regulations. Generally, all Corps hunting areas are open for public hunting of all legal species with the use of any legal weapon for that open season except in areas designated for restricted hunting. Hunting is prohibited in developed recreational areas, lands around the dam and other structures. Vehicles must remain on established roads and camping is allowed in designated areas only. Hunters are urged to exercise the basic rules of good sportsmanship, safety, and common sense.

Hunters wishing to obtain current hunting regulations on Corps lands must contact the Oklahoma Department of Wildlife Conservation, 1801 N. Lincoln Blvd, Oklahoma City, OK 73105 (405) 521-2739 or the Texas Parks and Wildlife Department, 4200 Smith School Road, Austin, TX 78744, (512) 475-4888.

The two National Wildlife Refuges managed by the United States Fish and Wildlife Service on Lake Texoma are: the Hagerman National Wildlife Refuge, an 11,429-acre waterfowl refuge, on the Big Mineral Arm and the Tishomingo National Wildlife Refuge, a 13,450-acre waterfowl refuge, located on the Washita Arm. Both refuges are marked either by buoys or signs. Hunting is restricted to special seasons as determined by US Fish and Wildlife Service personnel. All boating and fishing is restricted on the refuges from 1 October through 31 March. The 3,170-acre Tishomingo Cooperative Wildlife Management Area is open for hunting at specified times during the fall season.

Additional information and regulations governing use of Corps land or water as outlined in Title 36 Code of Federal Regulations may be obtained at the Lake Texoma Office, (903) 465-4990, or from the Tulsa District Office, Corps of Engineers, 1645 S. 101st E. Avenue, Tulsa, OK 74128, (918) 669-7370.

Hunting maps of all Tulsa District lakes are available on the Corps internet site at www.swt.usace.army.mil

- Check the weather forecast before going to the field.
- Handle every gun as if it were loaded.
- Be sure of your target and what is beyond it.
- Guard against hypothermia.
- Wear your life jacket while boating.
- Alcohol, boats, and firearms don't mix.
- The use of ATV's on Corps property is prohibited.

RESTRICTED HUNTING

As the result of cooperative arrangements between the Oklahoma Department of Wildlife Conservation, the Texas Parks Wildlife and Department, and the Tulsa District Corps of Engineers, several tracts of Corps lands have been made available to sportsmen for restricted hunting. With the exception of the special restrictions outlined below, all provisions of the Oklahoma and Texas hunting regulations are applicable on these areas.

The following areas are open for hunting of all species which may legally be taken during legal open seasons by archery and shotgun with pellets only.

- 1) A 380-acre unit below Denison Dam.
- 2) A 800-acre unit in the Platter Flats area.
- 3) A 1,000-acre unit in the Lakeside area.
- 4) A 60-acre unit in the Willow Springs area.
- 5) A 800-acre unit on either side of HWY 70 on the east side of the lake.
- 6) A 1,200-acre unit north of Newberry Creek.
- 7) A 300-acre unit south of the Butcher Pen area.
- 8) A 100-acre unit on the north side of Alberta Creek.
- 9) A 1,110-acre unit in the Washita Point area.
- 10) A 500-acre unit southwest of McLaughlin Creek.
- 11) A 250-acre unit on the Treasure Island, North Island Group.
- 12) A 110-acre on the Limestone Creek area.
- 13) A 226-acre unit on the west side of Wilson Creek.
- 14) A 300-acre unit south of the Denison Dam Spillway.

The following areas are open for hunting of all species which may legally be taken during legal open seasons by **ARCHERY ONLY** all firearms are prohibited.

- 1) A 610-acre unit in the Burns Run area.
- 2) A 125-acre unit south of Alberta Creek.
- 3) A 1,200-acre unit along the Cross Timbers Hiking Trail.
- 4) A115-acre unit north of Hagerman Refuge and south of Flowing Wells.
- 5) A 316-acre unit between Paradise Cove and Flowing Wells.
- 6) A190-acre unit north of Paradise Cove.
- 7) A 350-acre unit east of HWY 91 and Shawnee Creek.
